

Calling! om

Not only that this tone is sent over wide spaces
but that it searches its answer.

Directions — the orientation of other horns

Timings — the spaces of waiting; responses
both questions and disappointments
but findings as well, and the exact
meshings of messages.

Big with Breaths, blown out in loudnesses

(for a single one wouldn't this be difficult. yet
sound off walls with the echo rebounding To
with distances with noise surrounding,
